**MOUNT LAUREL TOWNSHIP ANNOUNCES TREE GIVEAWAY THANKS TO
SUPPORT FROM THE ARBOR DAY FOUNDATION AND TD BANK**

Mount Laurel, NJ --- On Saturday November 13th at 10:00 AM, the Township of Mount Laurel will host a tree giveaway for residents thanks to support from the Arbor Day Foundation and TD Bank, America's Most Convenient Bank®.

Trees will be distributed to residents on a first come, first served basis while supplies last. The distribution of trees will take place at the Mount Laurel Community Gardens, located at 1256 Hainesport-Mount Laurel Road.

The giveaway is made possible thanks to a \$10,000 grant through the Arbor Day Foundation and sponsored by TD Bank. The selection of trees, in partnership with Pinelands Nursery, include Pin, Red, and Willow Oak, Redbud, Red Maple, Yellow Birch, Black Tupelo, Tulip Poplar, and White Cedar.

The Arbor Day Foundation is the largest 501(c)3 nonprofit membership organization dedicated to planting trees. The Foundation has planted more than 350 million trees in neighborhoods, communities, cities, and forests throughout the world to ensure a greener and healthier future for everyone.

The tree giveaway is part of the TD Tree Days program. Celebrating its 10th anniversary this year, TD Tree Days has supported over 200 completed projects in more than 80 communities over the past decade. The trees planted through the program will help the bank reach its goal of planting one million trees by 2030 through the TD Ready Commitment, TD Bank's corporate citizenship platform, and an effort that spans several of the company's environmental programs and projects.

About the Arbor Day Foundation

Founded in 1972, the Arbor Day Foundation has grown to become the largest nonprofit membership organization dedicated to planting trees, with more than one million members, supporters, and valued partners. During the last 49 years, more than 400 million Arbor Day Foundation trees have been planted in neighborhoods, communities, cities, and forests throughout the world. Our vision is to help others understand and use trees as a solution to many of the global issues we face today, including air quality, water quality, climate change, deforestation, poverty, and hunger.

As one of the world's largest operating conservation foundations, the Arbor Day Foundation, through its members, partners, and programs, educates and engages stakeholders and communities across the globe to involve themselves in its mission of planting, nurturing, and celebrating trees.
